Beloved ones in Jesus Christ:

For the last many years, I have been fortunate to coordinate many tours in countries across the world, such as China, Australia, New Zealand, Israel and other European countries. As per the requests from my previous tour members, I have arranged a tour to Greece and Turkey. Greece is famously known as the home country of well known scholars and emperors such as Aristotle, Socrates and Alexander the Great. More importantly, Greek mythology has had extensive influence on the culture, the arts and the literature of Western civilization and remains part of Western heritage and language. Historians believe that twelve gods and goddesses ruled the universe from atop Greece's Mount Olympus. These Olympians had come to power after their leader, Zeus, overthrew his father, Kronos, leader of the Titans. You will be fascinated to visit places such as Phillipi, where St. Paul first preached the Gospel in Europe, Athens, the site of the 1996 Summer Olympics and Ephesus, Turkey, where St. John brought Virgin Mary (Second House of Virgin Mary) after the death of Jesus Christ. The Virgin Mary had lived with St. John in Ephesus for 20 years. After the Virgin Mary left Ephesus, St. John was captured by the Romans and deported to Patmos Island, where he wrote the Book of Revelations. More importantly, this tour is focusing on the second missionary travel of St. Paul (Acts 16 – 18). The tour will start on October 9, 2015 and end on October 19, 2015. I hope you take advantage of this wonderful opportunity. If you have any questions regarding for this tour, please don't hesitate to call or email me. I humbly request your prayers for the success of this tour.

With Prayers,
Fr. Geevarghese Puthoorkudilil
