MALANKARA ARCHDIOCESE IN NORTH AMERICA

in the recent past, especially since 1960's, many Malankara Syrian Orthodox Christians migrated and settled down in North America. They maintained their distinct identity and preserved the glorious traditions of the Holy Church by forming parishes under the spiritual supervision of Late Lamented Archbishop Mor Athanasius Y. Samuel of blessed memory. In 1993, His Holiness the Patriarch The Supreme head of the Universal Syrian Orthodox Church- established an independent Archdiocese for the Malankara (India) parishes in North America (Patriarchal Bull No. E235/93 dated June 24, 1993) directly under the Holy Apostolic Throne of Antioch and All the East.

It is an absolute requisite that the Malankara Archdiocese have a Headquarters facility for an effective administrative system and to coordinate various activities. It is also very important for us to have a Seminary to provide proper training to the future clergy of our Archdiocese.

Our beloved Patriarch has given the approval and Apostolic blessings for the proposed Headquarters and Seminary project and has called it as 'Patriarchal Center'. The proposed complex in Whippany, NJ, will function as the central office of our Archdiocese and will consist of a beautiful chapel, conference halls, seminary, guest rooms, library, dining hall and the Bishop's house etc.

YOUR PART IN THIS PROJECT

We are the Lord's people. To do the Lord's work requires partnerships the utilization of time, talent and treasure of God's people. Therefore, when it comes to developing the resource base for the Archdiocese, it is a matter of the Lord's people joining together, giving their time, talent and treasure for the progress of the Church. As you associate with this project, you are establishing a resource base for the future growth of the Holy Church in this great country. Ask God for a creative way to enhance your gift. You may consider giving from your savings, tax refunds, or giving the proceeds from the sale of a home or other property. You can also consider reducing expenses or deferring a major purchase as a sacrifice to God. Involve your family in determining a specific amount. The Bible teaches that spiritual maturity includes developing the habit of consistent giving.

"On the first day of every week each one of you is to put aside and save, as he may prosper, so that no collections be made when I come." (1 Cor.16:2)

Setting a portion of your income for strengthening the Holy Church shows that God really has a prominent place in your lives.

Dearly beloved

We thank our Heavenly Father for the abundant blessings that have been showered upon our Archdiocese. by the Grace of God we are growing steadily. We have established churches through out North America, and still new churches are flourishing in many areas of both the US and Canada. Many of our congregations have our own buildings, which show a prominent growth and stability of our parishes. This growth can be credited to the dedication of our faithful people and respected clergy. However, the Archdiocese is still lacking an adequate Headquarters facility to coordinate the various activities of the Archdiocese and a Seminary to train our young clergy for the future.

With the authorization from His Holiness the Patriarch and the Delegates Meeting of our blessed Archdiocese, the Archdiocesan Council and the Project Committee are working hard to fulfill the dream of acquiring and establishing a Headquarters facility.

We request all the faithful members to contribute whole heartedly to this great and noble cause. With out your support and prayers we will not be able to accomplish this dream.

May God bless you,

Your servant in Christ,

+ Archbishop Mor Titus Yeldho
